***A Message from Mayor Annette Iafallo – Rescheduling of Garbage Pickup for the First Ward***

*Due to the snow storm over the Christmas holiday, we were unable to conduct garbage pickup in the First Ward on Saturday, December 26.*

*We are rescheduling the missed Saturday pickup for tomorrow, Tuesday, December 29. It will occur as soon as possible AFTER pickup is completed for those whose regular garbage day is Tuesday.*

*Please place your garbage tote and recycling at the curb no earlier than 6pm tonight. If your items are already out from last Saturday and covered by snow, please remove the snow before tomorrow's pickup so the items are visible and accessible. DPW crews will not dig out any buried garbage totes or recycling.*

*Given the recent high winds, please secure all garbage and recycling and if necessary, delay putting the items out until early Tuesday morning.*

*Thank you for your patience and cooperation during the storm period. We are doing our best to catch up. If you have any further questions or concerns please contact the DPW at 827-6406.*

*As always, stay safe and God bless.*

*Annette*

*PS – this message is also being delivered by phone message at 1pm and 6pm to those who subscribe to receive calls through the Code Red System.*
